Completed Studied in Basic Computer Network &Configuration at ETEC

Web Design Junior – ISTAD, Phnom Penh (Apr 2025) – 90-hour course on HTML, CSS, Tailwind, ReactJS, JavaScript, and UX/UI design.

Experience

Seeking an internship or entry-level Software Engineer position to begin my professional career. My academic and project-based coursework has provided me with a practical foundation in Java, C/C++, HTML, CSS, and ReactJS. I am ready to contribute to a team and translate my knowledge into building functional and well-designed applications.

Language

1 Khmer   2 English
